Featured Ship: Eye of the Wind

LENGTH OVERALL: 40.23m (132ft)

YEAR BUILT: 1911

VESSEL TYPE/RIG: Brig

HOME PORT: St Helier, Jersey UK

"A fabulous adventure! Words cannot convey the experience."

"What a wonderful, lovely, great, awesome trip... Thanks again for this wonderful experience!"

"Now that was a voyage! The EYE crew embody two words: COMPETENT and KIND - And such a beautiful ship. Thank you beyond measure"

Eye of the Wind has a tried and tested formula for winter sun escapes. Following the old trade wind routes you would expect for a square-rigger that likes to sail as much as possible.

She wears her 100+ years well, having undergone several quality restorations, all of which have helped create a ship interior full of beautiful wood and salvaged antique fittings. Her square rig is totally traditional and all sails are hoisted by human power and blocks and tackles.

"Thank you so much to all the Grayhound crew for an unforgettable adventure. I cannot imagine a kinder and better crew with which to sail."

"Thanks all for a great time. Fastest Channel crossing I have managed!"

"Excellent company of genuine all round sailors. The wind in my face and the swell beneath. 5 stars for welcome, accommodation on board, safety, quality of sailing, food, skipper and crew"

Grayhound quickly became known as a groundbreaking vessel at the forefront of green transport and a sail cargo revolution. She set up regular cargo runs with guest crew helping transport organic wine and beer between Britain and France, as well as adventure voyages.

Join Grayhound for hands-on sailing where you'll learn how to sail a traditional 18th century tall ship.

Featured Ship: Linden

LENGTH OVERALL: 49.5m (162.4ft)

YEAR BUILT: 1993

VESSEL TYPE/RIG: 3-Masted Schooner

HOME PORT: Mariehamn, Finland

"I couldn't praise the Linden crew highly enough, extremely professional, friendly and encouraged us to be part of the team. I'd sail on that boat with that crew anywhere. The experience was at times spiritual, life affirming. I can't recommend the experience highly enough"

"Learning to travel the hard way is not only the best way, but it's also the most memorable."

Linden is one of the very last sailing ships to be built on Åland off the southwest coast of Finland, Linden was built with local pinewood from the archipelago and based on a near identical vessel launched in 1920.

Linden specialises in Arctic expedition sailing, as such she is the perfect expedition ship for our Ocean Warrior Voyages. The crew know Northern Scandinavia and Svalbard intimately, having operated here for many years.

LENGTH OVERALL: 46m (151ft)

YEAR BUILT: 1919

VESSEL TYPE/RIG: Brig

HOME PORT: Den Helder, Netherlands

"Just returned from 11 days sailing on Morgenster round Cape Verde. The whole experience was exceptional - friendly, knowledgeable and caring crew; wonderful sailing - the 4am night watch experience was particularly magical!"

"The trip was fabulous. The crew were incredibly supportive and even helped me overcome enough of my fear to get out onto the first yard! I felt that I was included in everything and that my contribution, however small, was appreciated."

Morgenster (Morning Star) has managed to excel in both thoughtful and educational sail training voyages for young people and adventure cruising holidays for adults to locations like Cape Verde or the Canaries.

The style of sailing is laid back, but don't underestimate the professionalism of the crew. The Netherlands has a big fleet of working sailing ships and the famous Enkhuizen Zeevaartschool (Nautical College) training future mariners in sail as well as modern ships

YEAR BUILT: 1917

VESSEL TYPE/RIG: 3-Masted Schooner

HOME PORT: Rotterdam, Netherlands

"The dream came true! What a gorgeous trip I had between Québec and Halifax! A part of me will be onboard forever... I will be back to you, most beautiful ship of the world! I will be back, Oosterschelde!"

"Great trip on a wonderful ship. Crew were very friendly, helpful and professional. The passengers were also very friendly and a real mix of interesting people. I had a great first time on a big sailing ship."

Oosterschelde's sleek lines and huge sail area has sailed her charter crews around the world twice including a rounding of Cape Horn purely under sail in 2013, and as far afield as the Arctic, Australia and Antarctica.

If you want an example of sail power, Oosterschelde is the real thing. A 'National Historic Monument' in the Netherlands, she is the only remaining working example of a large fleet of fast schooners that carried cargoes at the beginning of the last century.

Featured Boat: Outdoor Girl

LENGTH OVERALL: 6m (20ft)

YEAR BUILT: 2008

VESSEL TYPE/RIG: Sprintsail Yawl

HOME PORT: St Mawes, UK

"Outdoor Girl is BRILLIANT! It's lovely to see a small and engineless alternative to the large and (sometimes) luxurious vessels"

"A huge thank you for the best day out...sailing adventure on Outdoor Girl followed by a wild swim"

"The trip up and down Percuil River and back and fore across Carrick Roads has done my mental health a power of good!"

Outdoor Girl is a sprintsail yawl that was designed for inshore crab fishing. Navigate the shallows; beach the boat to step ashore or row right into small Cornish harbours. Follow old sea routes up wooded creeks and far into the shallow salt marsh. Anchor in forgotten pools and camp on beaches and shorelines inaccessible by land.

Tuck into places that only smugglers would find. Wild camp, improve your small boat skills and gain the confidence to explore without an engine.

Featured Ship: Pilgrim of Brixham

LENGTH OVERALL: 28.6m (94ft)

YEAR BUILT: 1895

VESSEL TYPE/RIG: Gaff Ketch

HOME PORT: Brixham, UK

"Sailing on Pilgrim was amazing. I loved every moment, she is totally beautiful. Swimming ashore and snorkelling. Building a fire on the beach. I love the freedom and peace being on the water, it's so natural and relaxing. I had such a great time with a great bunch of people."

"Fantastic few days sailing on Pilgrim, the experience was well past my expectations and this was the result of the crew who all worked very hard in making this an unforgettable experience."

Pilgrim was in 1895, by J W & A Uphams, one of Brixham's most famous yards. Pilgrim was one of six similar vessels built at the yard during that year, adding to Brixham's fleet of over 300 Sailing Trawlers. Today only a handful of these wooden sailing trawlers have survived.

Pilgrim is part of the national historic fleet and offers a fantastic range of voyages from half/full day sails around Devon & Cornwall to longer trips to the Isles of Scilly, Channel Islands and France.

HOME PORT: Oban, Scotland

"Fantastic trip. Crew were so keen to help and teach. They clearly loved sailing. Food was outstanding. Restaurant standard. Learnt so much. Had so much fun. Fellow passengers were so friendly. The Highlands and islands were stunning. Would highly recommend."

"I enjoyed the journey aboard the Provident very much and will keep some unforgettable memories. Thank you!"

Provident is a 1924 Brixham Trawler. As part of the national historic fleet she is one of the most treasured vessels operating in UK waters today. The crew have life-long experience sailing round the islands of Scotland, and aboard a ship as strong as Provident there's no better combination for an unforgettable sailing holiday.

Provident is the perfect boat for exploring the islands and lochs of the west coast of Scotland and is ideal for the first-time sailor.

YEAR BUILT: 1937

VESSEL TYPE/RIG: 4-Masted Schooner

HOME PORT: Lisbon, Portugal

"We had the most amazing time on SMM. We both climbed the rigging as the sun was setting over Porto Santo to round off a brilliant last day with the new friends we met. Thanks for the wonderful experience."

"We had a terrific and adventurous time on board during Sachsen Sail in the Bay of Biscay. Thank you to all Santa Maria Manuela crew members!"

"I have sailed many times on tall ships, this is by far the best yet."

Santa Maria Manuela offers adventure voyages, island hopping, ocean voyages, diving and oceanographic expeditions for individuals of all ages and groups. She is the largest tall ship Classic Sailing offers activity holidays on, but the crew to guest ratio is excellent so you will be well looked after. This historic Portuguese tall ship has excellent facilities on board and plenty of holiday toys like dive ribs, 'stand up paddle boards' and kayaks, but this is also a ship where you can take part in the hands on sailing, join a night watch or climb the rigging.

YEAR BUILT: 2008

VESSEL TYPE/RIG: Pilot Cutter

HOME PORT: St Mawes, UK

"We really could not have had a better introduction to classic boat sailing. Tallulah is a beautiful ship, the skipper and mate were friendly, great teachers, and made us feel safe throughout the trip"

"We had a great day out it was my first experience of sailing and it won't be my last."

"This was a great experience, and I would love to do it again!"

Tallulah is a striking boat and a familiar sight in and around the waters of the Roseland Peninsula. She offers a long season of coastal exploration of Cornwall and the Isles of Scilly from the sheltered creeks and remote coves to the edge of the Atlantic Ocean.

Tallulah's skipper and mate on Tallulah want you to 'live the coastal life' with them whilst you are on board - and look like you have been doing it for years!

YEAR BUILT: 1915

VESSEL TYPE/RIG: Gaff Ketch

HOME PORT: Winkel, Netherlands

"A delight. A competent and engaging professional crew, an interesting voyage with some challenges and some great rewards."

"This trip fulfilled my desire for adventure sailing as we transited the north coast of Iceland, along the Arctic Circle."

"The crew were competent and friendly, the catering excellent. I wouldn't hesitate to recommend a voyage on Tecla."

Tecla has circumnavigated the globe, sailed around Cape Horn, sailed through the North West Passage of Canada, won numerous tall ships races, and is now carving her name as a great expedition ship.

Tecla's crew are an energetic bunch, and always up for adventure and their sailing programme really reflects that ambition. Tecla's team research their destinations well, and have a great sense of history and place.

LENGTH OVERALL: 21m (70ft)

YEAR BUILT: 1994

VESSEL TYPE/RIG: 3-Masted Schooner

HOME PORT: Colchester, UK

"Thanks for a truly memorable weekend! The sailing experience was first class: I enjoyed the companionship very much: all that under the leadership of two people talented and thoroughly pleasant in equal measure. It was a privilege. And the megastar was Trinovante – what a ship!"

"I have spent most of my sailing time in modern yachts of various sizes but having the helm of a 3 masted schooner under full sail is an experience like no other."

Trinovante is big enough for you to feel the thrill and excitement of sailing on a Tall Ship whilst still being small enough to take you to those out of the way places most larger vessels can only dream of.

The three masted gaff rig is an absolute joy to sail and the rig is easy to get to grips with. Whether you are an experienced sailor or a complete beginner this is a boat that simply invites you to get involved.

Tall ship sailing holidays – all over the world.

'Hands on' sailing participation is at the core of all Classic Sailing holidays. You don't have to be a sailor. Our skippers help you become the crew on tall ships, barques, brigs, schooners, gaff cutters, luggers and privateers. Whether you want an epic sailing expedition or a weekend taster, we can offer expert advice based on over 25 years of experience helping customers fulfil their sailing dreams.
